CHRISTIAN ADVENTURES INTERNATIONAL EVANGELISTIC ASSOCIATION ((CAI) a 501-C3)
Creating an Enduring Legacy of Soul-Winners for America

Proposed: Develop an International Evangelism Center providing multimedia evangelism outreach and training facilities, tent manufacturing, along with association offices and a library of resources for emerging evangelists following in the tradition of Billy Graham and TL Osborn. This 22,000 square foot, debt-free, prime property is situated on A-1-A across from the ocean providing a destination location for training.

"One of the greatest needs today is for the Church throughout the world to recognize and recover the legitimacy and importance of the gift of the Evangelist." – Billy Graham

Problem: The swing of the cultural pendulum from the "golden rule" to "situational ethics" has left a gaping wound in the heart of America tearing at her very foundations. According to a March 4, 2020 Barna Research Group Study, only one in four Americans is a practicing Christian, having dropped in half since 2000.

Purpose: Create an enduring soul-winning legacy with next generation empowerment of Gospel laborers through on-line, classroom, and boot-camp training. Conduct evangelistic outreaches through varied techniques including mass evangelism, tent evangelism, event evangelism, humanitarian aid and multi-media outreach.

Target Market: Saved and unsaved with a special focus on Gen Z a generation that maintains a deep sense of empathy for the ideas of others and a determination not to challenge accepted belief systems. Bring them to Christ, mobilize and empower them with Good News training and tools for next generation legacy and church growth.

History: CAI has trained a corps of Eurasian Evangelists while maintaining a vigorous outreach schedule in 65 nations. Currently over 120 evangelism tents are active from the Sea of Japan to the English Channel. Thousands of outreaches conducted by hundreds of evangelists trained in our Russian facilities and in evangelistic events are creating an enduring Eurasian soul-winning legacy. Millions of souls have been reached. Two tent workshops located in Moscow and Estonia have manufactured over 80 tents. At the same time CAI leaders, Kevin and Leslie McNulty were actively orchestrating and preaching in citywide mass evangelism events in 25 nations of Asia, Africa and Latin America with daily meeting attendance of 25,000 to 250,000. In partnership with Estland Helpg of Norway over 400 containers of humanitarian aid have been distributed through our associated teams.

Management Team: George Pidgeon, CAI Construction Manager, developed and sold two multi-million dollar construction firms; Simon Reynolds, CAI Board of Directors—Treasurer, Pilot and Airport Developer; Greg Knight, IT Consultant; Mike Mathews, CIO Oral Roberts University, Broadcasting and Training Consultant; Akop Mkrtumyan, Director—Eurasian Corps of Evangelists.

Funding Required: \$1,000,000 —Includes façade repairs, new roof and lowering of parapet walls for improved wind load and drainage to be completed by February 2021. Includes development of broadcast facilities, phase 1 training classrooms and offices to be completed March - June 2021.

Timeline for Disbursements: December, January, February \$200,000 respectively; March, April, May and June, \$100,000 respectively.

Outcomes: Based on our experience with the Eurasian tent project and global outreaches, *millions of souls will be saved, tens of thousands of individuals will be trained, and 50 states will be reached.* Potential income gained through training tuition at \$2,000 per student at 1,000 students on-line and in classroom annually—\$2,000,000. Studio rental fees at \$500 per rental hour at 40 hours monthly- \$240,000 annually. Training conference fees at \$20,000 per month- \$240,000 not including book, MP3 & MP4 sales and love offerings.
